

# Empower Your Colleagues And Customers To Make Healthy Decisions

Provide wellness education to your consumers and employees with EVERFI's learning solutions.

## Healthier Decisions Around Mental Health

Now more than ever employers, families and individuals are aware of the importance of mental wellness.

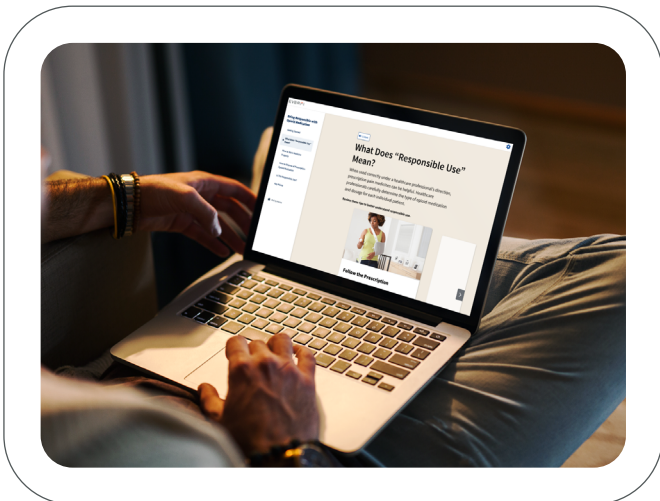

EVERFI's comprehensive *Elevate* Programme offers interactive learning solutions to enable your organisation to deliver mental wellness education to your communities wherever they are. With *Elevate* you can provide personalised education at scale, resulting in improved well-being and measurable change.

### Your Customised Solution

The *Elevate* digital platform is fully customisable to your brand and messaging with embedded custom content and calls-to-action within the learning experience allowing you to:

- **Build Loyalty:** Create custom pages with your organisations's information seamlessly embedded into the course.
- **Collect Data:** Obtain valuable insights into learner attitudes and behaviors that can inform your social impact initiatives.
- **Demonstrate Impact:** Tell a powerful story on improving community health and wellness while increasing brand awareness.

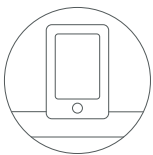

# Elevate Content Library

Below are examples of learning sequences available.
